

# Bubbly - Colbie Caillat

I've been awake for a while now  
You've got me feelin' like a child now  
'Cause every time I see your bubbly face  
I get the tingles in a silly place

It starts in my toes, and I crinkle my nose  
Where ever it goes I always know  
That you make me smile, please, stay for a while now  
Just take your time wherever you go

The rain is fallin' on my window pane  
But we are hidin' in a safer place  
Under covers stayin' dry and warm  
You give me feelings that I adore

It starts in my toes, make me crinkle my nose  
Wherever it goes I always know  
That you make me smile, please, stay for a while now  
Just take your time wherever you go

But what am I gonna say?  
When you make me feel this way  
I just, mmm

And it starts in my toes, makes me crinkle my nose  
Wherever it goes I always know  
That you make me smile, please, stay for a while now  
Just take your time wherever you go

I've been asleep for a while now  
You tucked me in just like a child now  
'Cause every time you hold me in your arms  
I'm comfortable enough to feel your warmth

It starts in my soul, and I lose all control  
When you kiss my nose, the feelin' shows  
'Cause you make me smile, baby, just take your time now  
Holdin' me tight

Wherever, wherever, wherever you go  
Wherever, wherever, wherever you go

Wherever you go I always know

'Cause you make me smile, even just for a while
