

Crazy - Lost Frequencies

Oh Lord

Hear me turn these words into a song
For them to sing along to when I'm gone
For them to sing along to when I'm gone

Oh Lord

Let me be the one to set 'em free
I will give 'em every part of me
Put my heart where everyone can see

They can call me whatever they want
Call me crazy
You can call me whatever you want
But that won't change me
I just don't care what the world says
I'm gonna make it
They can call me whatever they want
So what if I am crazy?

Crazy (crazy, crazy, crazy, crazy, crazy, crazy)

Oh Lord

This is so much harder than I thought
But I will give 'em everything I've got
One day I am gonna prove them wrong

Oh Lord

Let me be the one to set them free
I will give them every part of me
Put my heart where everyone can see

They can call me whatever they want
Call me crazy
You can call me whatever you want
But that won't change me
I just don't care what the world says
I'm gonna make it
They can call me whatever they want
So what if I am crazy (crazy, crazy, crazy, crazy, crazy, crazy)

Crazy (crazy, crazy, crazy, crazy, crazy, crazy, crazy)
